NC T&T State Board Agenda

1. Judge's Support

To keep high caliber judges in North Carolina for the benefit of NC Teams and also to provide current NC judges with opportunities to gain valuable experience judging alongside the national judging staff, the NC board considers funding judges a high priority.

Nicholas motions to Judge Funding at Gym Champs for Stewart Pritchard in the amount of \$1,060 to help support his continuing education and experience as an NC judge.

Stewart recuses due to conflict of Interest. Kristin seconds the motion. Motion passes without opposition.

2. Athlete Support (Portugal World Cup)

To help ease the financial burden for elite level athletes traveling the world on behalf of Team NC and Team USA, the state considers it a high priority to provide financial support. Athlete Funding for Trevor Harder at the Portugal World Cup for \$1136.

Nicholas Motions. Kristin seconds the motion. Motion passes without opposition.

3. Jump Start / EDP Support

Team NC had 3 athletes and 2 coaches earn spots on the 2023 Jumpstart EDP team. As an educational program, the NC board sees funding this activity as a high priority as well.

5 applications were received requesting financial assistance. Financial support in the amount of \$550 will be given to each of these applicants to support their education and journeys.

Kristin motions. Stewart seconds. Motion passes without opposition.

4. State Education

Instead of having one central state clinic in the fall of 2023, the state is sending educational material to each club in the state with a registered T&T coach and athlete. Additionally, the state has asked the elite level athletes of the state to do single-day clinics with these teams at their facility to help them advance their programs and prepare for the season.

It is the goal of the state to have a summer clinic in 2024.
